PRESENTATION LETTER

ABOUT US

We are a family business, we started operations in 1996 serving companies in the area, and however we had experience that supported us since 1988, supporting the industry as service providers in electrical and mechanical maintenance.

We are a company with a growing work group that combines the experience with the youth and new ideas of each of its members dedicated to offering them the highest standards of quality, safety and cost, guaranteeing the good use of their resources, reducing the environmental impact.

We are currently a recognized company in the industry as providers of professional services related to:

- **DESIGN AND ENGINEERING**

Development of projects for new facilities, with ergonomics and safety needs, based on the experience of our specialists for the implementation of high quality and safety industrial facilities.

- **MANUFACTURING OF PROCESS EQUIPMENT**

Within our facilities we have specialized equipment for the manufacture of tanks, hoppers, Paileria, structures, roofs and equipment for the food, chemical and petrochemical industry, complying with quality standards and standards such as AWS, API, ASTM.

- **INSTALLATION OF ELECTROMECHANICAL EQUIPMENT**

We have a great technological and human team to carry out your electromechanical, mechanical and process projects within the established programs, both in time and quality.

- **MAINTENANCE AND INSPECTION OF STEAM GENERATORS**

We have the expertise to carry out safety inspection and / or maintenance, as well as evaluation of the efficiency of steam generators, quality of the boiler water, and percentage of condensate recovery.

- **MAINTENANCE AND INSPECTION OF REFRIGERATION AND AIR CONDITIONING SYSTEMS.**

We have trained personnel to perform safety inspection and / or maintenance, as well as efficiency evaluation in refrigeration with ammonia, or another refrigerant. Installation and maintenance of equipment for air conditioning in offices, or areas with a temperature control requirement.

- **TRAINING**

We have staff with DC-5 for their training needs, we issue at the end of each DC-3 course to participants on issues of safety, environment safety in boiler installations, refrigeration.

SERVICIOS INDUSTRIALES MONTES, S.A. DE C.V.

Services and Electromechanical, Civil, Structural Constructions

OUR MISSION

SUCCESS STORIES

SERVICIOS INDUSTRIALES MONTES, S.A. DE C.V.

Services and Electromechanical, Civil, Structural Constructions

SOME OF FULFILLED PROJECTS

- ✓ MANUFACTURE OF STAKES FLARES FOR JOHN ZINK HAMWORTHY COMBUSTION
- ✓ MANUFACTURE OF SKID FOR GASOLINE VAPOR RECOVERY FOR JOHN ZINK HAMWORTHY
- ✓ MANUFACTURE TO VRU FOR JOHN ZINK HAMWORTHY
- ✓ MANUFACTURE AND ASSEMBLY OF PIPES IN SPINNING AREAS IN ZOLTEK
- ✓ SUPPLY AND INSTALLATION OF HOT WATER PIPES 5PM3 AND 5PM4
- ✓ SUPPLY AND INSTALLATION OF SIZING EQUIPMENT AND PIPES
- ✓ SUPPLY AND INSTALLATION OF DMF TANK PIPES
- ✓ ASSEMBLY OF EQUIPMENT AND MECHANICAL WORK LINE 3 AND 4 SPINNING
- ✓ SQUID AND PIPE ASSEMBLY FOR ISOLATED ICED WATER IN NANTLI
- ✓ SUPPLY AND INSTALLATION OF SERVICE PIPES, NATURAL GAS, NITROGEN, DEMINERALIZED WATER, OSMOSIS
- ✓ WATER, COMPRESSED AIR, DRINKING WATER FOR PROJECT Z600
- ✓ MANUFACTURE AND ASSEMBLY OF ROTATING TABLE FOR FERROMEX LOCOMOTIVES
- ✓ MANUFACTURE AND ASSEMBLY OF PLATFORMS OF MANTLE FOR PX-35 OVENS
- ✓ INSTALLATION OF SOLAR HEATERS FOR NESTLÉ LAGOSMANUFACTURE OF STEAM BY-PASS FOR THERMOTANK MARS
- ✓ MANUFACTURE OF 3 PIECES TANKS IN STAINLESS STEEL MARS PLANT, QUERETARO
- ✓ MECHANICAL WORKS LINE 2 CHANGE OF CHUMACERAS
- ✓ MANUFACTURE OF PROCESS EQUIPMENT AGROINDUSTRIAS PALENQUE
- ✓ MANUFACTURE AND INSTALLATION OF A BRIDGE RACK FOR CROSSING STREETS
- ✓ MANUFACTURE AND INSTALLATION OF RACK FOR PX-35 PIPING
- ✓ SUPPLY AND INSTALLATION OF SERVICE PIPES TO MARS FILLER
- ✓ SUPPLY AND INSTALLATION OF SERVICE PIPES TO CHUNK'S MARS
- ✓ SUPPLY AND INSTALLATION OF PIPE FOR STEAM AREA OF PETS MARS
- ✓ MANUFACTURE AND ASSEMBLY OF 9 300 TON STAINLESS STEEL TANKS EACH ONE
- ✓ MANUFACTURE AND MOUNTING OF HEAD FOR NETWORK VS FIRE
- ✓ CONSTRUCTION OF AREA FOR ASSEMBLY OF A WASTEWATER PLANT.
- ✓ MANUFACTURE OF TANKS FOR STORAGE OF DIESEL AND OIL
